Is your patient safe? Are you safe? Increase your awareness of patient and provider safety by participating in Canadian Patient Safety Week "Room of Horrors". Work with your inter-professional team to identify potential adverse events and win prizes!

When: **November 1st, 2012, 4:30-7:30 pm (30-45 minute session)**
Where: **Faculty of Health Sciences Patient Simulation Labs**
Cataraqui Building, 92 Barrie Street

Queen's University

QJBC Patient Safety — Queen's Joanna Briggs Collaboration: A pan-Canadian collaboration for synthesis of evidence in Patient Safety

prn — Practice and Research in Nursing — A Centre for Nursing Health Services Research

About Canadian Patient Safety Week

The Canadian Patient Safety Institute launched Canadian Patient Safety Week as a national annual campaign in 2005 as part of its mandate to build and advance a safer health system for Canadians.

The goal: ***To increase awareness of patient safety issues and share information about best practices in patient safety.***

Ask*Listen*Talk

The theme: ***To promote the importance of communication between and among patients, clients, consumers and providers within all healthcare settings and sectors.***

For more information, visit www.asklistentalk.ca

How does it work?

- **Email** QJBC.Patient.Safety@queensu.ca
  You will be placed into an inter-professional team at a booked time.*

  *If there is a time during that day you are unavailable, please notify in your email.

- **Prizes** will be awarded to teams with the most potential adverse events identified. In the event of a tie, a draw will be made.

What's in it for me?

- *Build your resume*
- *Receive a certificate of participation*
- *Collaborate with students & residents in other disciplines*
- *Increase your awareness of patient and provider safety*
- *It's free & it's fun*
